DISCLOSURE OF INTERESTS IN SHARES

42 DISCLOSURE OF INTERESTS IN SHARES

- 42 1 This Article 42 (Disclosure of interests in Shares) applies where the Company gives to the holder of a share or to any person appearing to be interested in a share a notice requiring any of the information mentioned in section 793 of the CA2006 (a "**section 793 notice**")
- 42 2 If a section 793 notice is given by the Company to a person appearing to be interested in any share, a copy shall at the same time be given to the holder, but the accidental omission to do so or the non-receipt of the copy by the holder shall not prejudice the operation of the following provisions of this Article 42 (Disclosure of interests in Shares)
- 42 3 If the holder of, or any person appearing to be interested in, any share has been served with a section 793 notice and, in respect of that share (a "**default share**"), has been in default for a period of 14 days after service of the section 793 notice in supplying to the Company the information required by the section 793 notice, the restrictions referred to below shall apply Those restrictions shall continue for the period specified by the board provided that such period shall end not later than seven days after the earliest of

 - 42 3 2 receipt by the Company of notice that the shareholding has been sold to a third party pursuant to an arm's length transfer, and provided further that the board may waive all or any of such restrictions

42 4 The restrictions referred to above are as follows

42 4 1 if the default shares in which any one person is interested or appears to the Company to be interested represent less than 0 25% of the issued shares of the class (calculated exclusive of treasury shares), the holders of the default shares shall not be entitled, in respect of those shares, to attend and vote at a general meeting of the Company, either personally or by proxy, or

42 4 2 1 to attend and vote at a general meeting of the Company, either personally or by proxy, or

42 4 2 2 to receive any dividend (including shares issued in lieu of dividend), or

42 4 2 3 to transfer or agree to transfer any of those shares or any rights in them

42 5 The restrictions in Article 42 4 shall not prejudice the right of either the member holding the default shares or, if different, any person having a power of sale over those shares to sell or agree to sell those shares under an arm's length transfer

42 6 If any dividend is withheld under Article 42 4 2 2 the member shall be entitled to receive it as soon as practicable after the restriction contained in Article 42 4 2 2 shall cease to apply

42 7 If, while any of the restrictions referred to above apply to a share, another share is allotted as of right pursuant to the rights attached to such share, the same restrictions shall apply to that other share as if it were a default share For this purpose, shares which the Company allots, or procures to be offered, pro rata (disregarding fractional entitlements and shares not offered to certain members by reason of legal or practical problems associated with issuing or offering shares outside the United Kingdom) to holders of shares of the same class as the default share shall be treated as shares allotted in right of existing shares from the date on which the allotment is unconditional or, in the case of shares so offered, the date of the acceptance of the offer

42 9 For the purpose of this Article 42 (Disclosure of interests in Shares)

42 9 1 the percentage of the issued shares of a class represented by a particular holding shall *be* calculated by reference to the shares in issue (including any shares held as treasury shares) at the time when the section 793 notice is given,

42 9 2 sections 820 to 825 of the CA2006 shall apply to determine whether a person has an interest in shares for the purpose of these Articles, and

42 9 3 a person shall *be* treated as appearing to be interested in any share if the Company has given to the member holding such share a section 793 notice and either (i) the member has named the person as being interested in the share or (ii) (after taking into account any response to any section 793 notice and any other relevant information) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the share

42 10 The provisions of this Article 42 (Disclosure of interests in Shares) are without prejudice to the provisions of section 794 of the CA2006 and, in particular, the Company may apply to the court under section 794(1) of the CA2006 whether or not the provisions of this Article 42 (Disclosure of interests in Shares) apply or have been applied

of that class), credited as fully paid, instead of cash in respect of all or part of any dividend specified by the ordinary resolution (a "scrip dividend") in accordance with the following provisions of this Article 116 1

- 116 2 The ordinary resolution may specify a particular dividend (whether or not already declared) or may specify all or any dividends declared within a specified period, but such period may not end later than the conclusion of the fifth annual general meeting of the Company to be held following the date of the meeting at which the ordinary resolution is passed
- 116 3 The basis of allotment shall be decided by the board so that, as nearly as may be considered convenient, the value of the further shares, including any fractional entitlement, is equal to the amount of the cash dividend which would otherwise have been paid
- 116 4 For the purposes of Article 116 3 the value of the further shares shall be calculated by reference to the average of the middle-market quotations for a fully paid share of the relevant class, as shown in the Daily Official List of the London Stock Exchange, for the day on which such shares are first quoted "ex" the relevant dividend and the four subsequent dealing days or in such other manner as the board may decide

- 116 8 The board may decide that the right to elect for any scrip dividend shall not be made available to shareholders resident in any territory, where in the opinion of the board, compliance with local laws or regulations would be impossible or unduly onerous
- 116 9 The board may do all acts and things considered necessary or expedient to give effect to the provisions of a scrip dividend election and the issue of any shares in accordance with the provisions of this Article 116 9, and may make such provisions as they think fit in the case of shares becoming distributable in fractions (including provisions under which, in whole or in part, the benefit of fractional entitlements accrues to the company rather than to the members concerned)
- 116 10 The board may from time to time establish or vary a procedure for election mandates, under which a holder of shares may, in respect of any future dividends for which a right of election pursuant to this Article 116 10 is offered, elect to receive shares in lieu of such dividend on the terms of such mandate

116 11 The board shall not make a scrip dividend available unless the Company has sufficient unissued shares and undistributed profits or reserves to give effect to elections which could be made to receive that scrip dividend

117. CAPITALISATION OF RESERVES

117 1 The board may, with the authority of an ordinary resolution of the Company

117 2 Where any difficulty arises in respect of any distribution of any capitalised reserve or other sum, the board may settle the difficulty as it thinks fit and in particular may make such provisions as it thinks fit in the case of shares or debentures becoming distributable in fractions (including provisions under which, in whole or in part, the benefit of fractional entitlements accrues to the Company rather than the members concerned) or ignore fractions and may fix the value for distribution of any fully paid up shares or debentures and may determine that cash payments be made to any members on the footing of the value so fixed in order to secure equality of distribution, and may vest any shares or debentures in trustees upon such trusts for the persons entitled to share in the distribution as the board may think fit

118 2 2 (subject to Article 118 4) shall not apply that reserve account for any purpose other than paying up the cash deficiency upon the allotment of those shares

118 3 Whenever the Company is required to allot shares pursuant to such a right to subscribe, the board shall (subject to the Statutes) appropriate to capital out of the reserve account an amount equal to the cash deficiency applicable to those shares, apply that amount in paying up the deficiency on the nominal value of those shares and allot those shares credited as fully paid to the person entitled to them

118 4 If any person ceases to be entitled to subscribe for shares as described above, the restrictions on the reserve account shall cease to apply in relation to such part of the account as is equal to the amount of the cash deficiency applicable to those shares
